

To whom it may concern,

Please look into the legality of Sinclair Broadcasting's decision to force their stations to air an anti-Kerry documentary days before the election.

Our airwaves are public and should be non partisan. Forcing broadcast stations to air this program is unfair to the viewer and the candidate.

If the Sinclair Broadcasting Group really feels that this program should be seen, they should refer their views to their local video store where they can rent the feature. Or, they can get this program on Pay Per View.
